**42ND ANNUAL AVALON HARBOR
UNDERWATER CLEANUP EVENT
February 24, 2024**

Dear Valued Sponsor,

Avalon Rotary Club Foundation, Catalina Divers Supply, and the USC Catalina Hyperbaric Chamber invite you to be a sponsor of the 2024 Avalon Harbor Underwater Cleanup which will be held on Saturday, February 24, 2024.

The Avalon Harbor Underwater Cleanup has grown into one of the major dive events in Southern California. This annual endeavor to clean Avalon's spectacular harbor attracts 600 participants from across California and neighboring states. Following the Cleanup Dive the Awards Ceremony is highlighted with raffle and sponsorship announcements.

The Avalon Harbor Underwater Cleanup doesn't just remove debris from Avalon Harbor, it also supports two important nonprofits. Proceeds from the event will continue to benefit the USC Catalina Hyperbaric Chamber, a life support recompression facility on Catalina offering life-saving treatment for divers throughout Southern California. Funds raised during the cleanup will also be donated to the Avalon Casino Improvement Project, an effort to enhance the amenities and mend some of the older infrastructure at the park for our dive community to enjoy.

We look forward to your generous support by donating prizes. We would especially appreciate Primary Sponsor items that we could use to headline our awards ceremony and to promote the event. Efforts in keeping our land clean in addition to our harbor, we do not accept any promotional items such as flyers, business cards, stickers, and pamphlets.

To participate please complete the enclosed Sponsor Response Form and email it to christylins@sbcglobal.net to ensure full recognition of your donation.

Donations must be RECEIVED no later than February 16, 2024. If you would like your sponsorship to be included in print materials, you must donate by February 1, 2024. Donations received after this deadline will be forwarded as donations for next year's cleanup.

Thank you in advance for your support. If you would like more information or have any questions, please contact info@catalinadiverssupply.com.

Sincerely,

Christy Lins, Catalina Divers Supply
David Satosky, Catalina Divers Supply
Kayla Feairheller, Bleu World
Karl Huggins, USC Catalina Hyperbaric Chamber
